## SUPPLEMENTAL REPLY TO OFFICE ACTION

RECEIVED
JUL 2 2 2002
GROUP 3600

Assistant Commissioner for Patents Washington, D.C. 20231

Sir:

Further to Applicants' reply filed on April 10, 2002, Applicants herewith supplement their "Application of Limitations of Copied Claims to Applicants' Disclosure," which begins on page 3 of their previous reply.

More specifically, Applicants herewith revise certain references to pages and line numbers of their specification that were presented in their aforementioned reply. Upon review, it appears that the page and line number citations were taken from the specification of Applicants' parent application rather than from that of the instant continuation application.

Therefore, immediately below Applicants resubmit the annotated version of claims 1-26 which appear on pages 4-12 in their reply of April 10, 2002, but revised with corrected page and line numbers, and other clarifying revisions, and kindly request that the following revised version of same be used in place of that filed in their aforementioned earlier reply.
